Lives Transformed by Men's Ministries

- Men's Rally
- Men's Retreat

During the men's retreat at Cohutta Springs Conference Center, men enjoyed inspirational music, challenging messages, delicious food, outdoor activities, and even a car show featuring restoration. The theme was "Broken Beauty," centering on how God transforms lives from brokenness into something of priceless beauty.

The men's retreat featured a car show that showcased outstanding frame-off restoration. Men's lives are being transformed through men's ministry.

During 2017, men's ministry events and the number of small groups within the Georgia-Cumberland Conference has grown dramatically through visionary leadership and God's blessing. Men's lives are being transformed, marriages are being saved, and the church is being strengthened.

The first Men's Leadership Summit took place June 3, 2017, during Collegedale Camp Meeting at Southern Adventist University in Collegedale, Tenn. The meeting was held in Thatcher Hall

men's small group.

The Chainsaws and Butter Knives Men's Rally took place August 26, 2017, at the Collegedale, Tenn., Community Church. The focus is, whether men feel as sharp and as powerful as a chainsaw, or as weak and dull as a butter knife, all men need other godly men to get sharper ... just as "iron sharpens iron," Proverbs 27:17.

The rally started with a song service led by Matt Spears, and inspirational testimonies by Jordan Madrilal Isaac

15-17, 2017. The theme of the retreat was "Broken Beauty," which centers on God's miraculous ability to transform men's lives from apparent brokenness into something of priceless beauty. During the weekend, the men enjoyed inspirational music, challenging messages, delicious food, outdoor activities, and even a car show featuring restoration. The main speaker for the retreat was Jim Moon, Collegedale Church pastor. Two powerful testimonies were shared by young men: Alex Carillo from Texas and Ma-

THE MASTER BLUEPRINT

To be successful in life, every man must follow a well-designed plan, a blueprint. And just like a blueprint is a copy of an original, so each man's life must be built according to the original, **THE MASTER BLUEPRINT**, Jesus Christ. Only He provides the perfect example of how men are designed to live... **MEN BY DESIGN!**

God's Blueprint for Men

DESIGN
PLAN
BUILD
SERVE
TOGETHER

The simple truth is that men can only discover their design and purpose in life through a daily relationship with their Designer... the Master Blueprint.

Every man, through the guidance of the Holy Spirit, the Bible, and wise counselors, carefully develops his own unique plan to build a life of fulfillment and integrity.

Much time and effort must be spent with Christ to establish the foundational bedrock of character, yet it is upon this solid foundation a man can build a life that will withstand the storms that are sure to come.

Men are naturally competitive, but Godly men discover that the greatest success in life is found by humbly serving others as Jesus did.

Men are naturally independent, but ultimately discover that the greatest successes in life are found working together with others for an eternal cause.

It is only in building according to "THE BLUEPRINT" that men can build for eternity!

WHAT IS BLUEPRINT FOR MEN?

Blueprint for Men is a men's ministry organization that seeks to provide leadership and guidance for men who want to live the way God intended it to be. A life of true meaning, fulfillment, and purpose. Through a wide variety of resources and programs we seek to educate and encourage men who dare to step up and become the men God intended them to be... better husbands, better fathers, and better disciples of Christ!

TESTIMONIES

My pornography addiction was destroying my life and marriage. There didn't seem to be any way I could break free... until I joined a Men of Integrity support group. Now, through the encouragement of other men and a growing relationship with Christ I am "more than a conqueror"... praise God!

—Men of Integrity Group Participant

"I left the father-son retreat with wisdom from the presentations, and encouragement from fellow fathers who are trying to raise Christ-like children ready for the challenges of manhood."

—Father-Son Retreat Participant

"ManUp! gave me the courage to 'put away childish things', man-up, and quit playing games in the things that matter. Since then I've gotten married, started my own business, and enjoy a growing relationship with God. Life couldn't be better!"

—ManUp! Group participant

MANHOOD REALITIES

It's true. Most men are struggling in just about every area of life. Research shows that for every 10 men in the church...

- 9 will have kids leave the church
- 6 will have a major problem with pornography
- 4 will get divorced
- 1 will have a biblical world view
- 10 All 10 will struggle to balance work and family
