

RECHARGE

MEN'S RETREAT

STERN MOUNTAIN

MARCH 26-28, 2021

Greetings Brothers,

We are living in some of the most challenging and uncertain of times. During the past year we have experienced a global pandemic, social and racial unrest, political friction, wildfires, hurricanes, and more. We all sense that the end is near and that we must seek God and pray for the outpouring of the Holy Spirit that will recharge every man! And to this end we present the theme of our weekend... RECHARGE!

The **Recharge Men's Retreat** will be held on the weekend of March 26-28, 2021 at Stern Mountain near Chattanooga, TN. This is a weekend event designed to recharge your depleted soul through challenging messages, inspirational music, deep conversations, outdoor recreation, and brotherhood!

You can choose to come for the entire weekend, for the day, or even just a few hours. If you stay for the weekend you must plan on tent camping. If you're not into camping you can commute, it's that close. To discover more details about the weekend, check out the following information packet and make plans to attend. Hope to see you at the retreat!

Our men's retreat this year is being held outside, in part as a precaution during the Covid-19 pandemic. We will NOT be requiring masks for this event but will be asking that the following precautions be taken.

1. If you have any symptoms, or know that you were exposed recently, we ask that you not attend
2. If you have recently been in a situation where you could have been exposed to Covid-19 we ask that you either not attend OR that you attend and wear a mask. (examples: flying, recently attended a large gathering where social distancing and masks wearing was not followed)

3. We will be providing hand sanitizer and will be asking all attendees to sanitize hands regularly.
4. We will encourage social distancing (6 ft) guidelines. There will be ample room to spread out, weather permitting, so that distancing can be readily achieved.

BLUEPRINT FOR MEN HEALTH STATEMENT FORM

The proposed activity provided by *Blueprint for Men* requires participation in physical exercises which are, by their nature, physically demanding. Many of the activities will challenge you, and cause surges in blood pressure and pulse rates. It is imperative that you are free of any heart related or other diseases. Therefore, all participants must be free of medical or physical conditions which might create undue risks to themselves or any others in the group who depend on them. Good physical condition will increase your enjoyment of the outdoor activities. If there is any doubt about your ability to safely participate in this experience, you should consult with a physician. (NOTE: If you have had any heart related problems you will need to have a release form from a physician in order to participate in the program.)
